DESIGN ETHOS

The natural world offers a myriad of design possibilities.

Each acts as a door, opening up a world of inspiration for us. From the most striking, to subtlest, our designs are a tribute to nature's artistic prowess. Which is why, we find ourselves on a never-ending quest to replicate the best of nature in our tiles.

We source natural products from around the world, dedicating our designs, technology, and manufacturing processes towards providing a closer-to-nature-look. It's more than a way of life for us. It's the ethos we live by.

And it is all brought to life through cutting-edge technology, superior processing systems and a designer mindset that takes shape in the form of our product offerings - Tiles, Marble and Mosaics.

Wall Tiles

The Timeless Charm of Tiles: A Perfect Choice for Your Walls

Discover the allure of tiles for your walls. With their natural beauty and versatility, tiles have become a global sensation, making them an exceptional choice for your space. From promoting a healthy environment to offering limitless style options, tiles have stood the test of time as a medium of expression.

1. Healthy Spaces: Eco-friendly tiles contribute to a healthier lifestyle, improving the air quality in any room. Breathe easy knowing that your space is free from harmful toxins, creating a sanctuary of wellness within your own walls.

2. Effortless Care: Bid farewell to tiresome cleaning routines. Tiles make maintenance a breeze, saving you time and effort. A simple wipe is all it takes to restore their pristine appearance, allowing you to focus on the things you love.

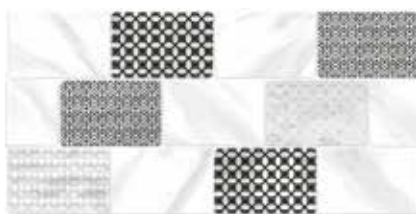

3. Infinite Style: Immerse yourself in a world of design possibilities. Tiles offer a vast range of styles, from contemporary urban chic to rustic countryside elegance. Let your imagination soar as you transform your walls into visual masterpieces that reflect your unique taste.

4. Heritage of Expression: Step into a rich tapestry of history. Tiles have been used as a medium of expression for centuries, telling stories and adding character to spaces. Unleash your creativity as you weave your own narrative, turning your walls into canvases of personal expression.

5. NITCO: Where Art Meets Technology: Experience the perfect blend of artistry and innovation with NITCO tiles. Each design captures the wonders of nature, meticulously crafted with attention to detail. Behind every tile lies a captivating story waiting to be discovered and shared. Embrace superior technology as you adorn your walls with perfection, creating a space that reflects your unique style.

NITCO's Nature-Inspired Tiles: Elevating your Interior Spaces

Welcome to the enchanting realm of NITCO's nature-inspired tiles, where walls come alive with boundless possibilities. Available in versatile sizes of 30x45 cm and 30x60 cm, these tiles possess the transformative power to turn any wall into a captivating masterpiece.

Prepare to be captivated by a diverse range of designs, each with its own unique allure and significance. Experience the tactile beauty of 3D punch impressions and the artisanal charm of handmade finishes, while choosing from an alluring palette of matte, hard matte, glossy, high gloss, and satin matte options.

Delve into a world of typologies that exude elegance and authenticity, with marble, cement, and stone designs that embody the timeless beauty of nature. And let us ignite your imagination with daring motifs of exotic flora's and birds, infusing your space with an enchanting touch of life and vibrancy.

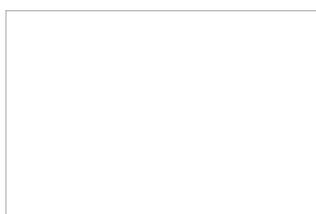

Embark on a journey where walls become a canvas for storytelling and self-expression. Experience the transformative magic of NITCO's nature-inspired tiles and elevate your living spaces to new heights of style and charm.

Unveiling NITCO's tile wonders that will leave you spellbound! Prepare to be immersed in a world of captivating designs, where art meets sophistication. Discover the mesmerizing Perini Range, boasting immersive 3D geometric patterns that defy the boundaries of ordinary walls, creating a visual spectacle that challenges the imagination. Indulge in the serene allure of the Casa series, where exotic flora and fauna weave together to create a harmonious tapestry of nature's beauty. And for those seeking a touch of modern elegance, the pixelated mosaic design of Athena will elevate your space with its undeniable charm and sophistication. Step into a realm where tiles become extraordinary masterpieces, transforming your walls into a breathtaking symphony of style and allure.

NITCO's unwavering commitment to supreme quality is evident in every meticulously crafted tile, ensuring precision and attention to detail that surpasses ordinary offerings.

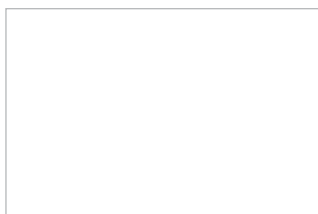

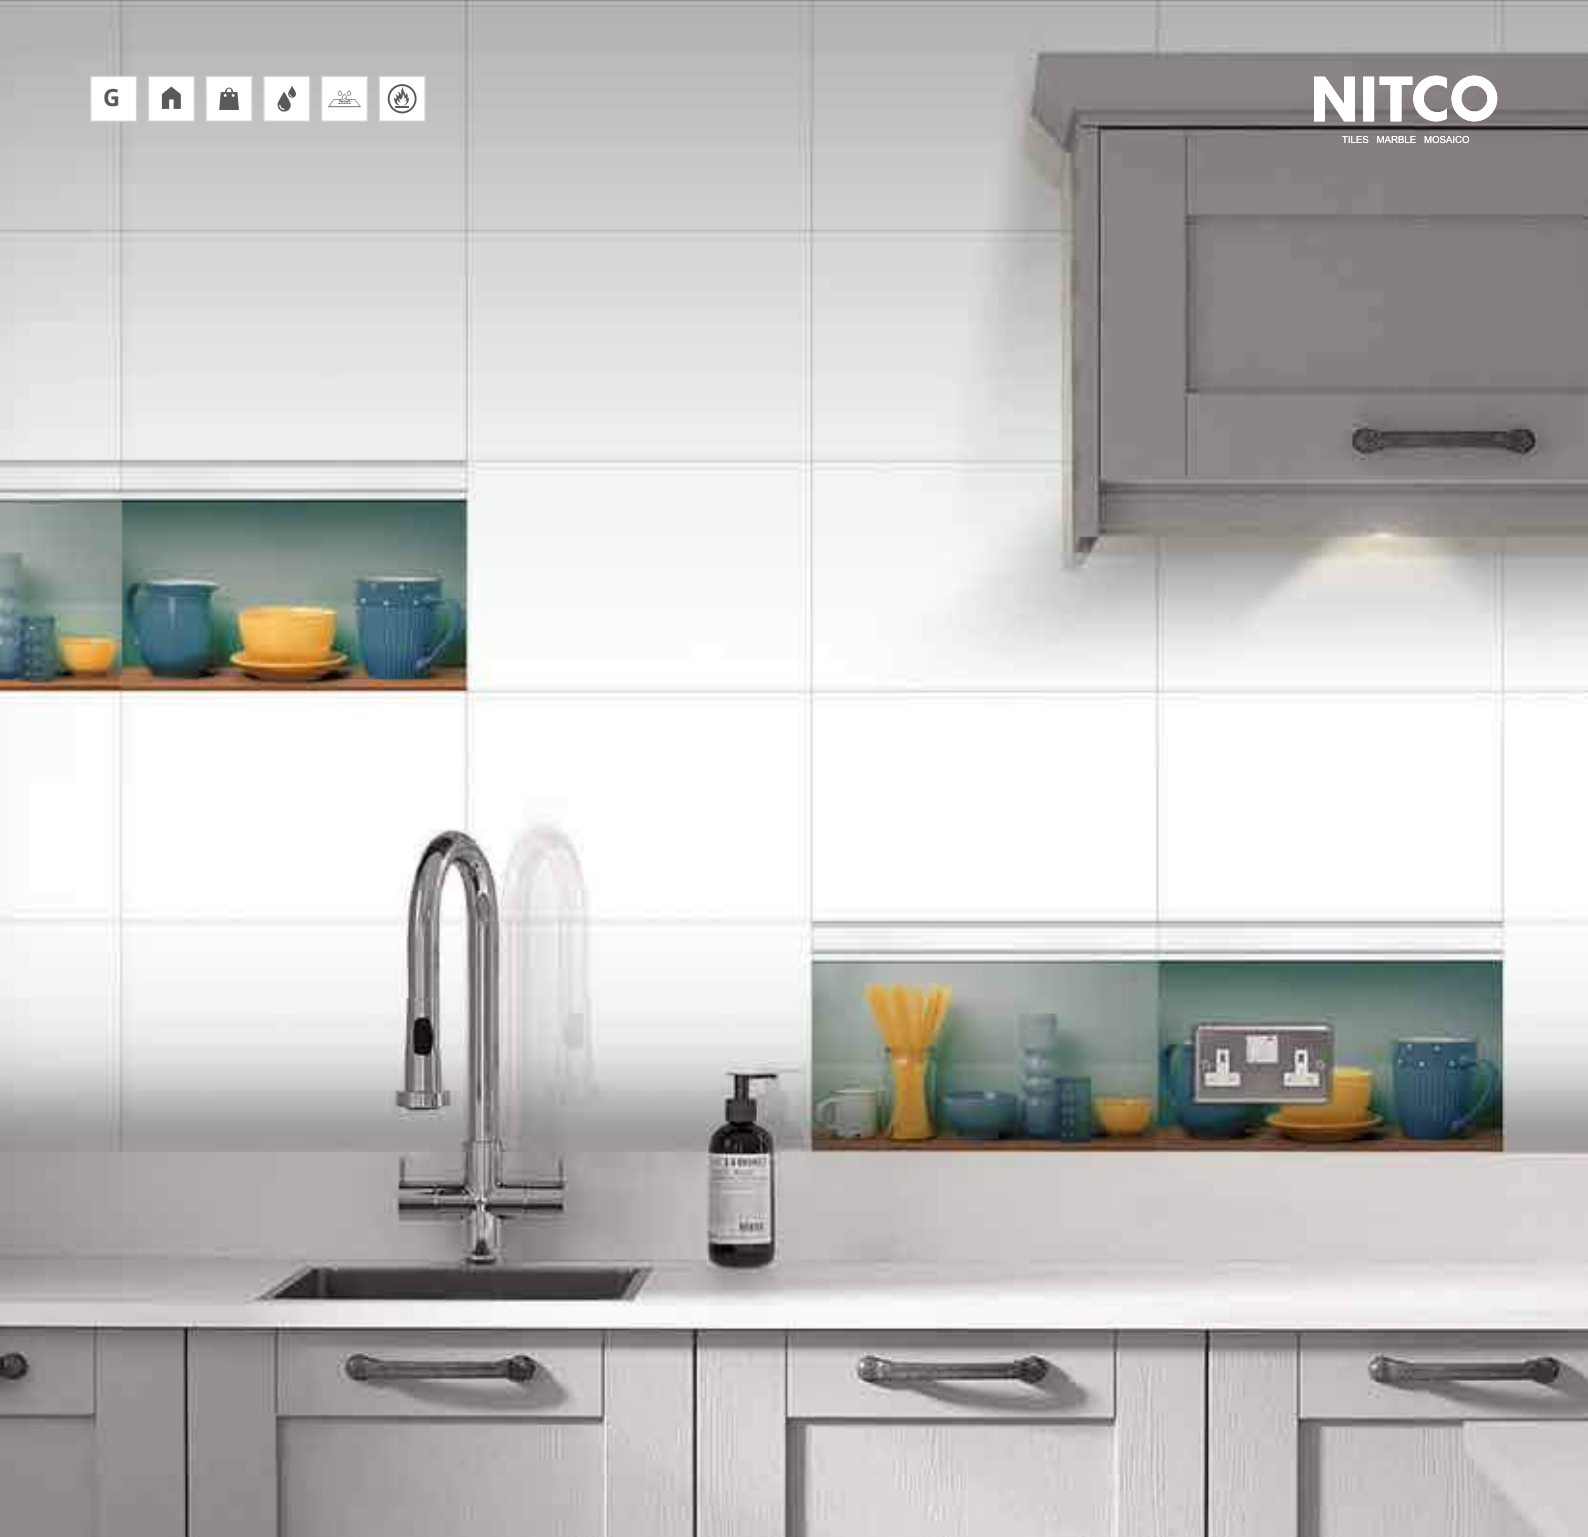

With NITCO's nature-inspired designs, you can create an interior space that reflects your personality and brings the beauty of nature indoors. From timeless elegance to contemporary allure, NITCO offers endless possibilities to elevate your living spaces.

Welcome nature's beauty into your home or workspace with NITCO's remarkable collection of tiles. Let your walls tell a story of harmony, sophistication, and artistic expression. Embrace the transformative power of NITCO and elevate your interior spaces.

The background of the entire page is a close-up, black and white photograph of a wall made of rectangular tiles. The tiles are arranged in a staggered, interlocking pattern, creating a strong three-dimensional effect with many shadows and highlights. The tiles appear to be made of a textured material like stone or concrete.

NITCO Wall Tile Installation Guide

MATERIALS REQUIRED

Wall tiles, Cement, Fine sand, Water, Notched trowel, Spirit level, Spacers, Rubber mallet, Grout, Sponge and cloth

PREPARATION

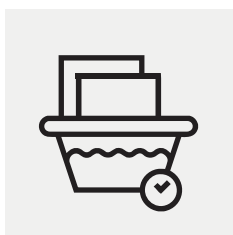

1. Surface Preparation

- Ensure the wall surface is clean, level, and free of dust, grease, or loose particles.
- Wet the wall slightly to prevent absorption of moisture from the mortar.

2. Prepare the Cement Mortar

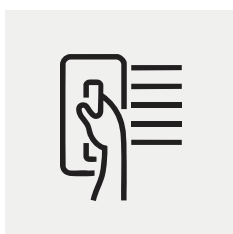

- Mix cement and fine sand in a 1:3 ratio (1 part cement to 3 parts sand).
- Gradually add water to achieve a smooth, workable paste.

3. Ensure That All the Tiles to be laid should be Soaked under Water at Least for 2 Hrs.

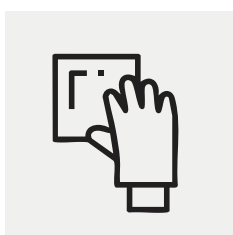

4. Ensure That All the Tiles to be laid are of the same Batch. Different Batch Laying in the same Location may cause the Shade Variation.

LAYING TILES

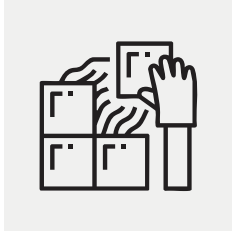

1. Apply Cement Mortar

- Ensure the wall surface is clean, level, and free of dust, grease, or loose particles.
- Wet the wall slightly to prevent absorption of moisture from the mortar.

2. Lay the First Tile

- Start from the bottom of the wall and align the first tile precisely.
- Gently press the tile into the mortar and tap lightly with a rubber mallet for even placement.

3. Continue Laying Tiles

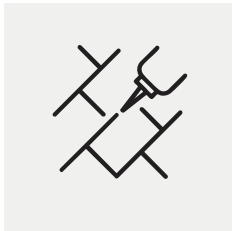

- Place spacers between tiles to maintain uniform gaps for grouting.
- Regularly check alignment and level using a spirit level.
- Work in small sections to prevent the mortar from drying before tiles are laid.

FINISHING

1. Remove Excess Mortar

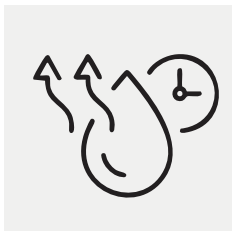

- Clean excess mortar that seeps out from the joints using a damp cloth before it hardens.

2. Grouting

- Allow the mortar to cure for at least 24 hours.
- Remove spacers and fill the tile joints with grout using a rubber float.
- Wipe off excess grout with a damp sponge and polish the tiles with a dry cloth.

CURING

1. Remove Excess Mortar

- Clean excess mortar that seeps out from the joints using a damp cloth before it hardens.

TIPS FOR SUCCESS

- Work in small sections to maintain mortar freshness.
- Avoid over-watering the mortar as it weakens the bond.
- Ensure tiles are soaked in water for 2 Hrs before laying to improve adhesion.

By following these instructions, you can achieve a professional-quality finish with cement mortar for wall tiles.

Technical Specifications for **Wall Tiles - 300 x 600 mm, 300 X 450 and 300 X 300 mm**

Sr. No.	Test Description	ISO 13006 : 2018		NITCO's Value
		Standard Test Method	Requirements as per BIII	
1	Length and Width	ISO 10545-2	± 0.3 % (Max ± 1.0 mm)	± 0.15 %
2	Thickness	ISO 10545-2	± 10.0 % (Max ±0.5mm)	± 5.0 %
3	Straightness of sides	ISO 10545-2	± 0.3 % (Max ± 0.8 mm)	± 0.3 %
4	Rectangularity	ISO 10545-2	± 0.3 % (Max ± 1.5 mm)	± 0.15 %
5	Surface flatness			
	Centre Curvature	ISO 10545-2	± 0.4 % (Max ± 1.8 mm)	± 0.2 %
	Edge Curvature	ISO 10545-2	± 0.4 % (Max ± 1.8 mm)	± 0.2 %
	Warpage	ISO 10545-2	± 0.4 % (Max ± 1.8 mm)	± 0.2 %
6	Surface Quality	ISO 10545-2	95% free from visible defects	> 95% free from visible defects
7	Water Absorption	ISO 10545-3	E > 10	10-20 %
8	Breaking Strength, N	ISO 10545-4	Min 600 N for thickness > 7.5, >200 for Thickness < 7.5	≥ 600
9	Modulus of Rupture (MOR), N/mm ²	ISO 10545-4	> 15	≥ 15
10	Abrasion Resistance (PEI III, IV, V)	ISO 10545-7	As Specified by manufacture	Min. Class 3
11	Thermal Shock Resistance	ISO 10545-9	Resistant to 10 cycle	No visible defect
12	Crazing Resistance	ISO 10545-11	No Crazing	Resistant
13	Resistance to Stains	ISO 10545-13	Min B	Resistant
14	Resistance to Acids, Alkalies and Chemicals (Except HF Acid and its Derivatives)	ISO 10545-14	Class 3	Resistant

Above standards cover only First Grade Material. Certain amount of shade variation is inherent in the manufacture of tiles. TECHNICAL SPECIFICATION is applied for full tiles of above mentioned size only. It is not applicable to decorative accessories derived from full tile or trim such as edges, corners, skirting, capping, coves, beds, steps
